# Located...

*Ashore the Ohio River is the Port  
of Lawrenceburg, Indiana, home  
of the Lawrenceburg Consolidated  
High School.*

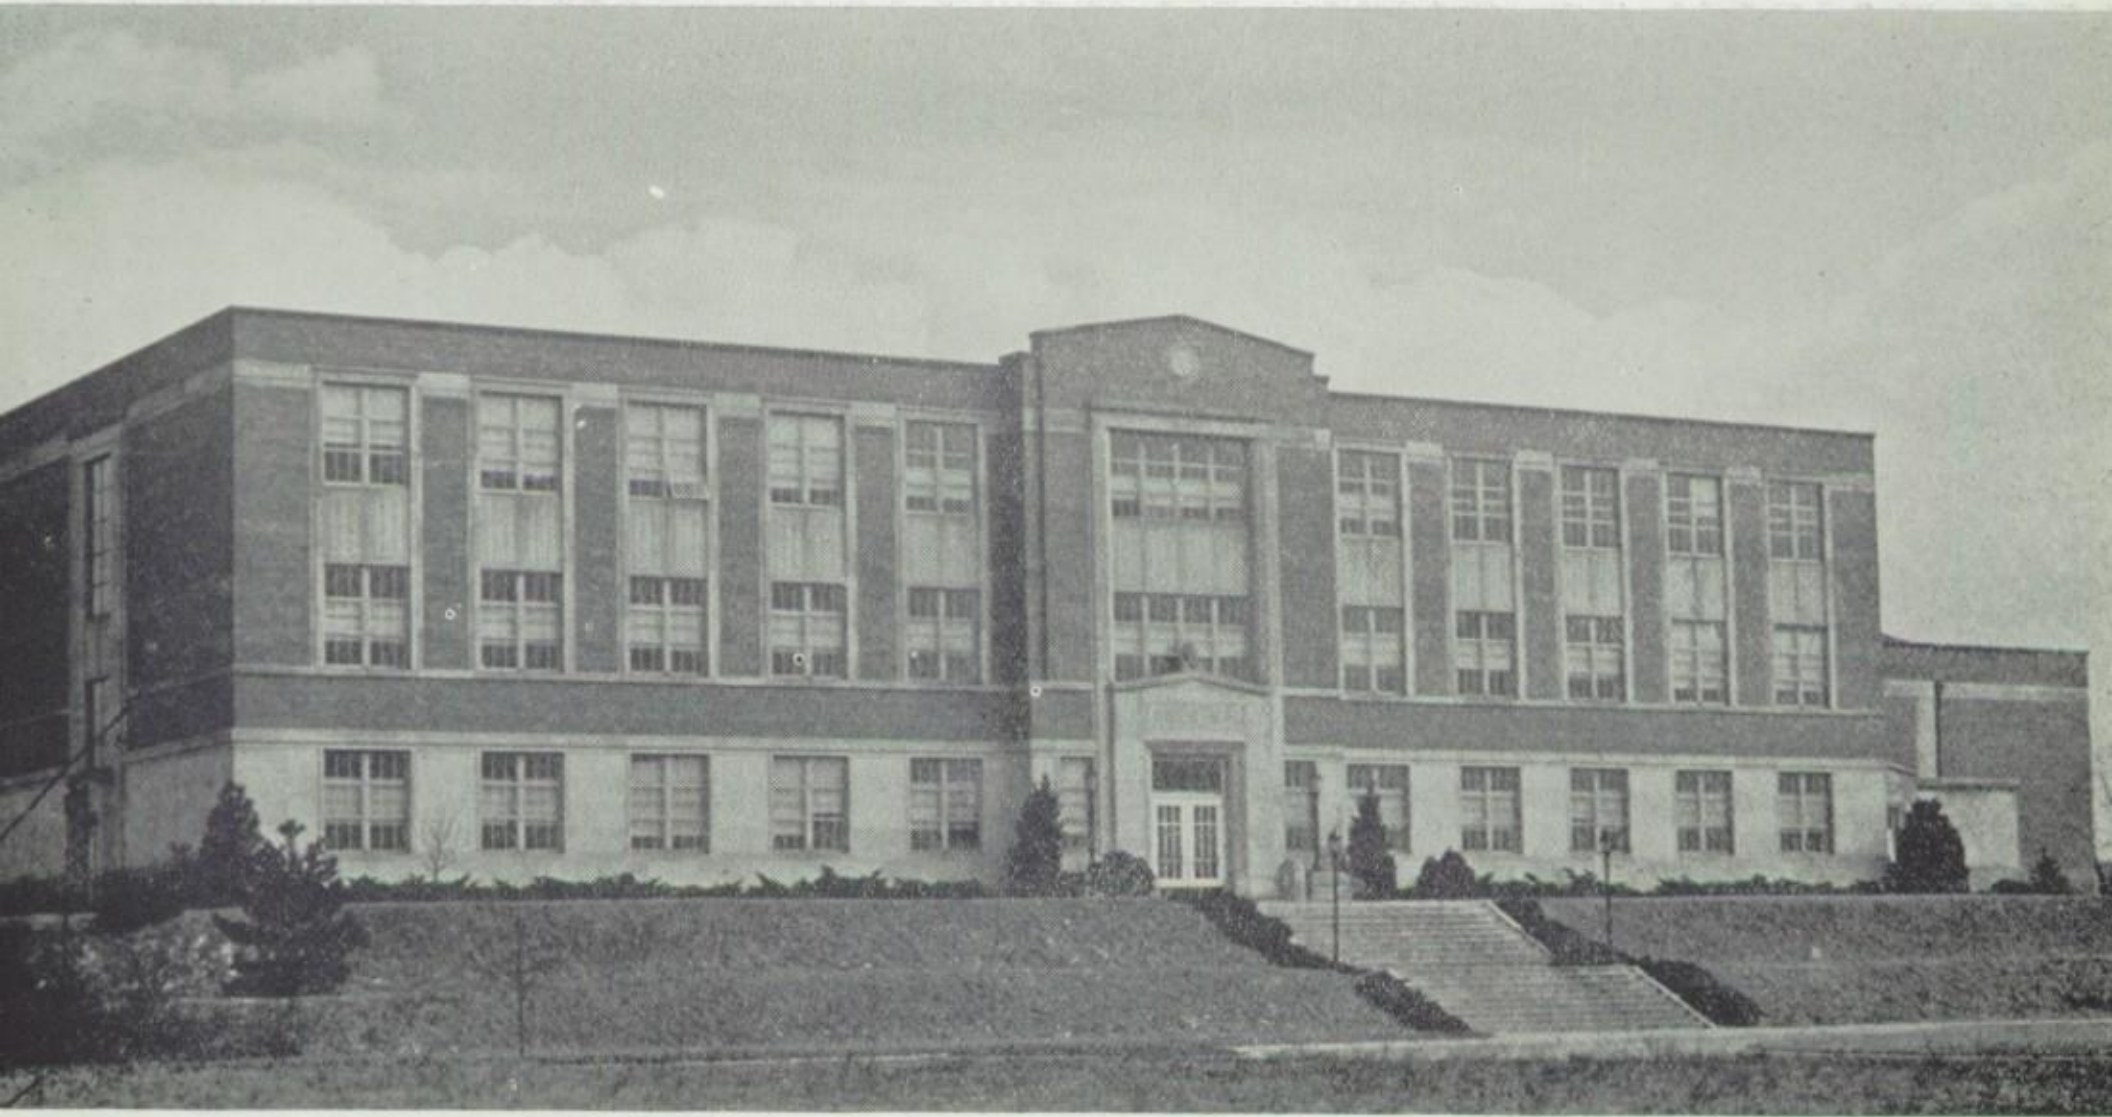

# Sailing along . . .

Ahoy mates! Climb aboard! Last call for passengers leaving on the S. S. L. C. H. S. With moorings loosened, anchor lifted, the command is given to shove off. On a steadily charted course she makes her way, but always in wait for any of the trials or tribulations of the open sea. Through constant teamwork between the captain and his crew, our ship makes port, the completion of another year.

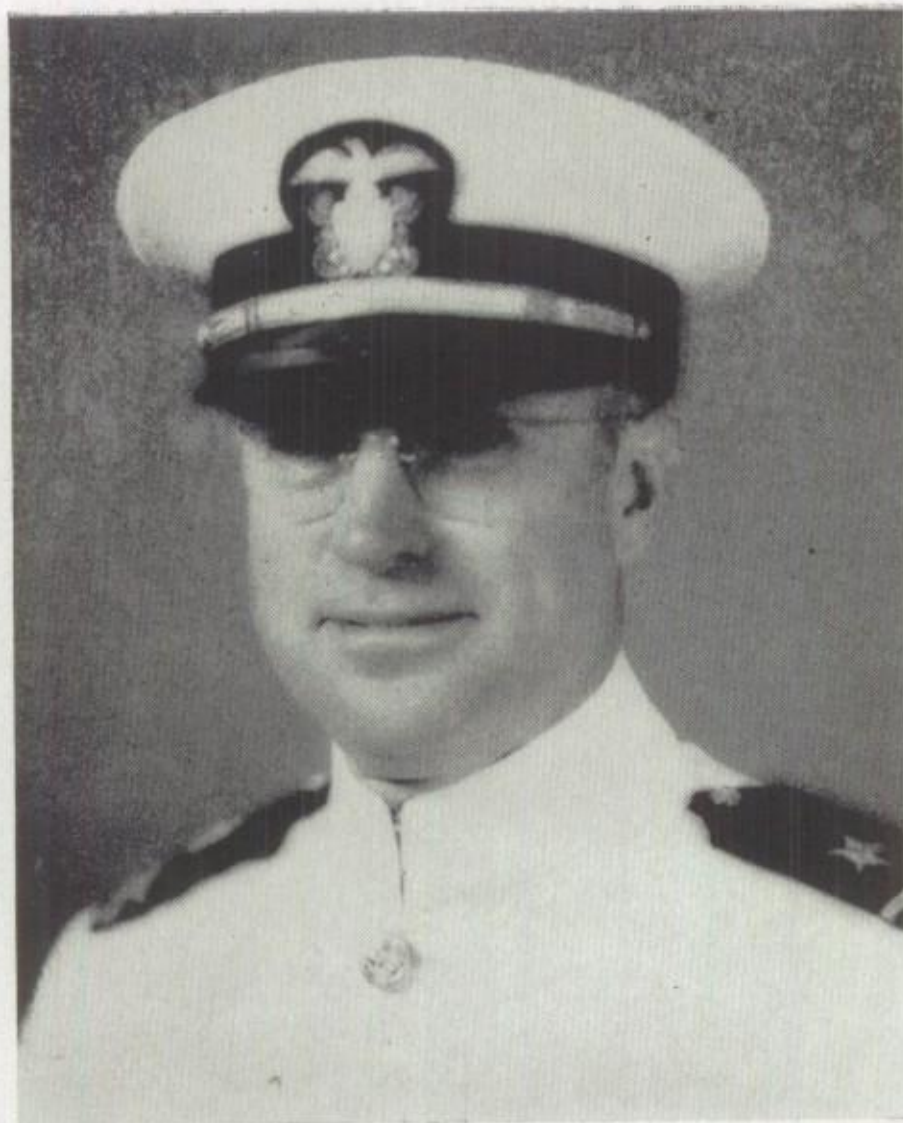

## at Lawrenceburg Consolidated High School

In the 1944 Tiger's Roar we invite you to board the L. C. H. S. and make the trip through another year with us. HAROLD C. BENEDICT

## Dedication

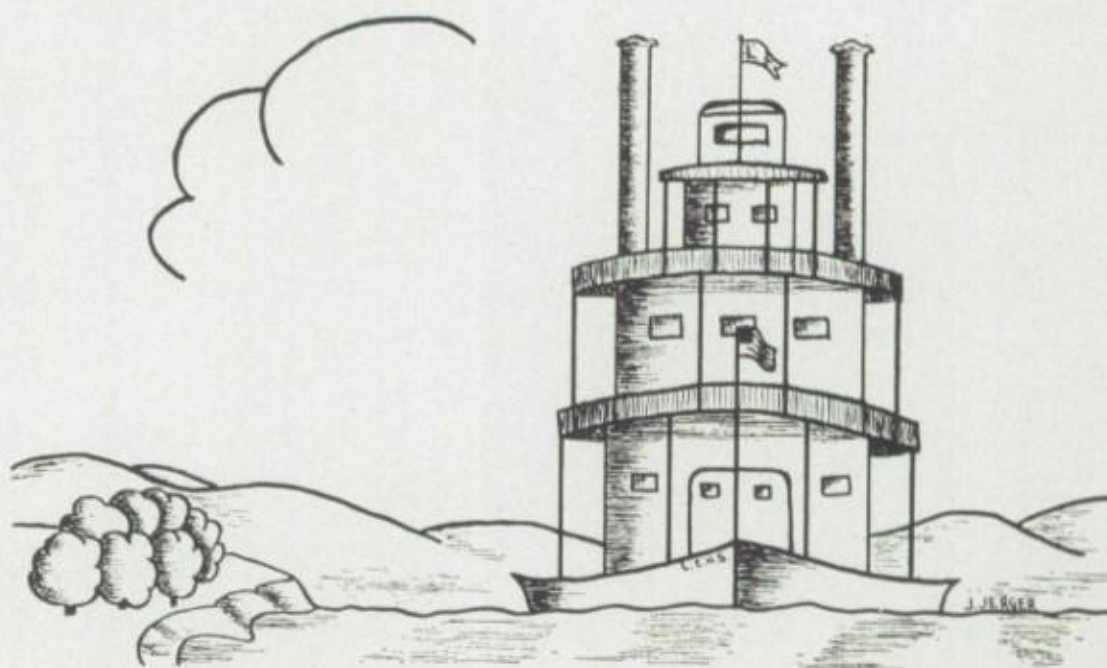

In 1937 Harold C. Benedict came to Lawrenceburg as a teacher who was destined to become a friend to everyone with whom he associated. With his pleasing personality he won the admiration and respect of all the students and teachers. Regardless of how busy he was, he could always find time to help anyone who came into his office.

We will never forget that particular Friday in September, back in 1942, when Lt. Benedict gave his farewell address to the student body before leaving for service in the U. S. Navy.

As an expression of appreciation to an advisor and friend the Class of 1944 dedicates this book to Lt. Harold C. Benedict.

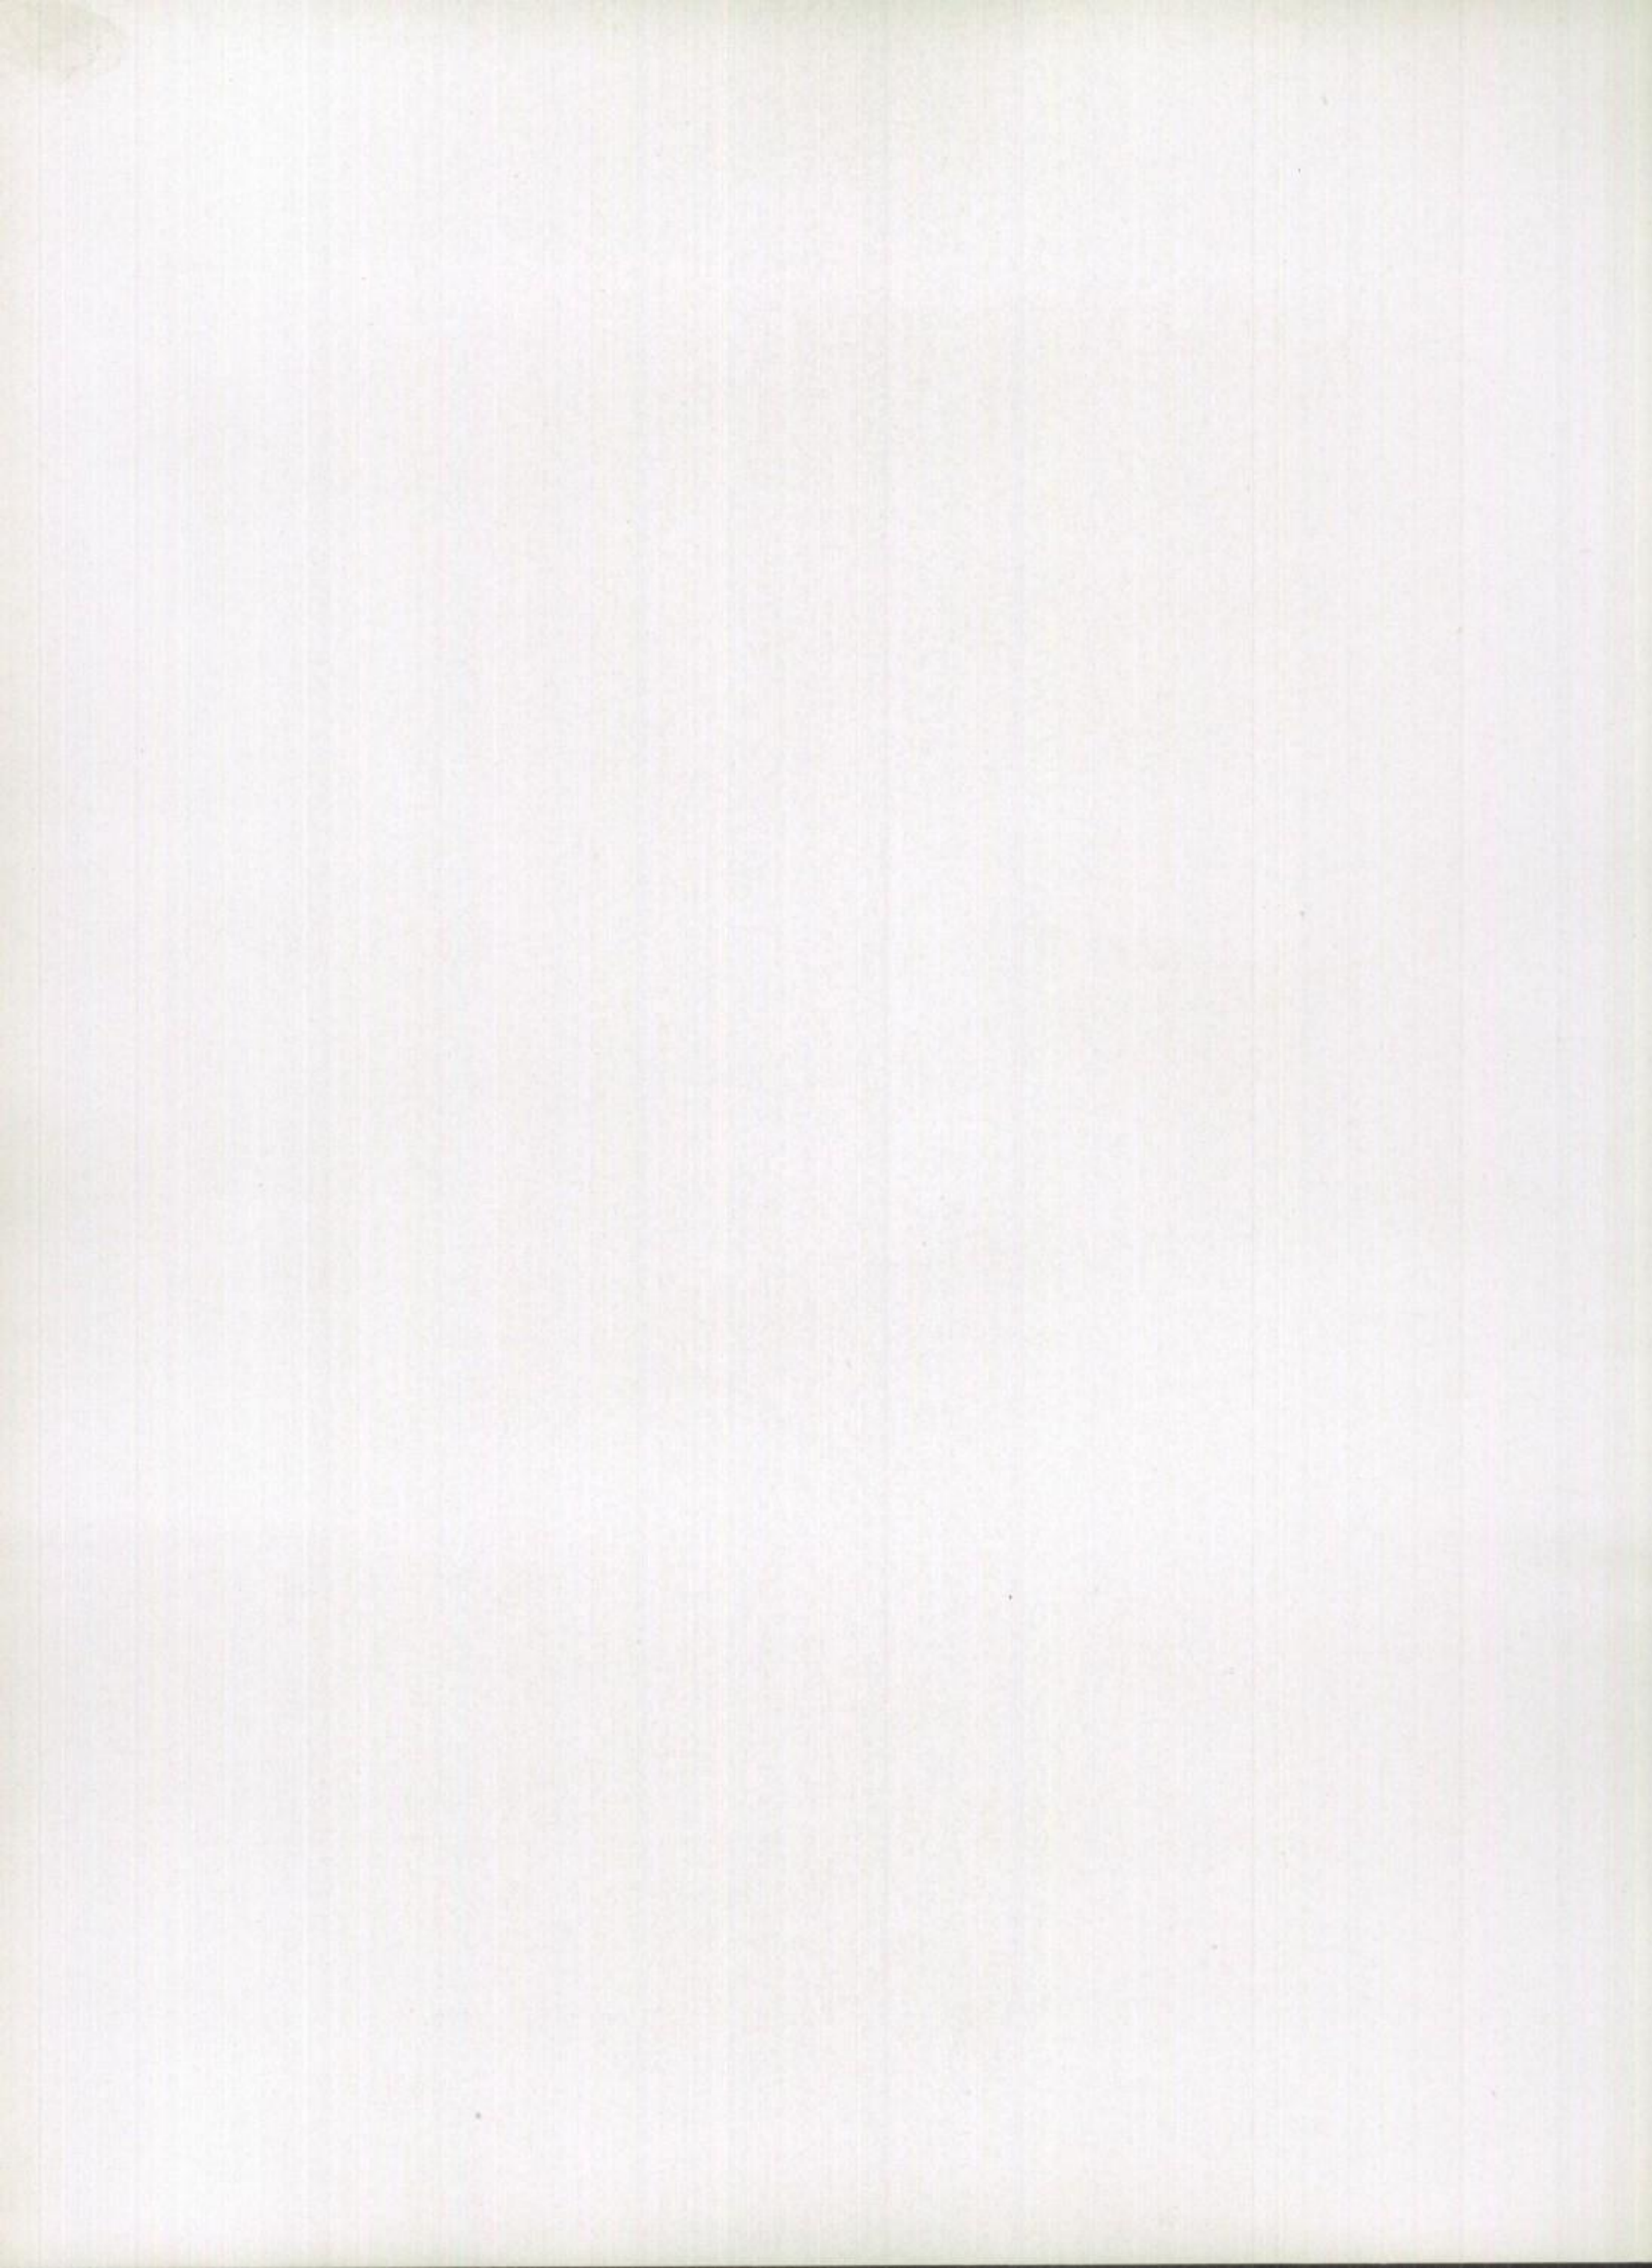

# Administration and Faculty

"Mak haste, mak haste, my mirry men all;  
Our good ship sails the morn."

# Adminstration and Faculty

During the past year aboard the S. S. L. C. H. S. we have had in command, officers and staff, whom we present in the following pages. First in command is the Board of Control, whose orders are carried out efficiently by the Superintendent, Mr. H. P. Harrison; the Principal, Mr. L. H. Barker, and fourteen members of the faculty.

It has been through their combined efforts that our ship has held fast to its course

Left to right: C. W. Greive, Mrs. Mollie B. Dietrich, John D. Roush, Louis Rodenberg, O. M. Keller, Theodore Fitch, Paul B. Houston.

## SCHOOL BOARD

As any well constructed and organized ship must have a governing body, so must the L. C. H. S. It is the duty of this group, namely, the Board of Directors, to see that the ship is prepared for its voyage and able to meet any difficulty that may arise.

The directors should be given much credit for the success of the L. C. H. S. Their deepest interest is in the school and the students, and they have done much to make this one of the outstanding schools of southern Indiana.

Mr. O. M. Keller, president of the board, has the distinction of having served in this capacity for 30 years, a record which is held by few or probably no other.

Other members of the board are: Mrs. Mollie B. Dietrich, Mr. John D. Roush, Mr. C. W. Greive, Mr. Theodore Fitch, Mr. Paul B. Houston, and Mr. Louis Rodenberg. Each is fitted in every way for the guidance and administration of school affairs, and the L. C. H. S. is fortunate in having them as its governing body.

# Administration . . .

## HURAM P. HARRISON

Mr. Hiram P. Harrison has successfully filled the position of superintendent at L. C. H. S. since it was vacated by Lt. Harold C. Benedict, now in the service of his country. Through his untiring effort, enthusiastic interest and understanding of the students and faculty, he has accomplished much in making Lawrenceburg Consolidated High School one of the leading schools of southeastern Indiana.

## LLOYD H. BARKER

Mr. Lloyd H. Barker came to Lawrenceburg in October, 1942, assuming the position of principal and science instructor at L. C. H. S. This year he was also made Dean of Boys. In this short time Mr. Barker has become well known in community affairs and has made many friends among the student body.

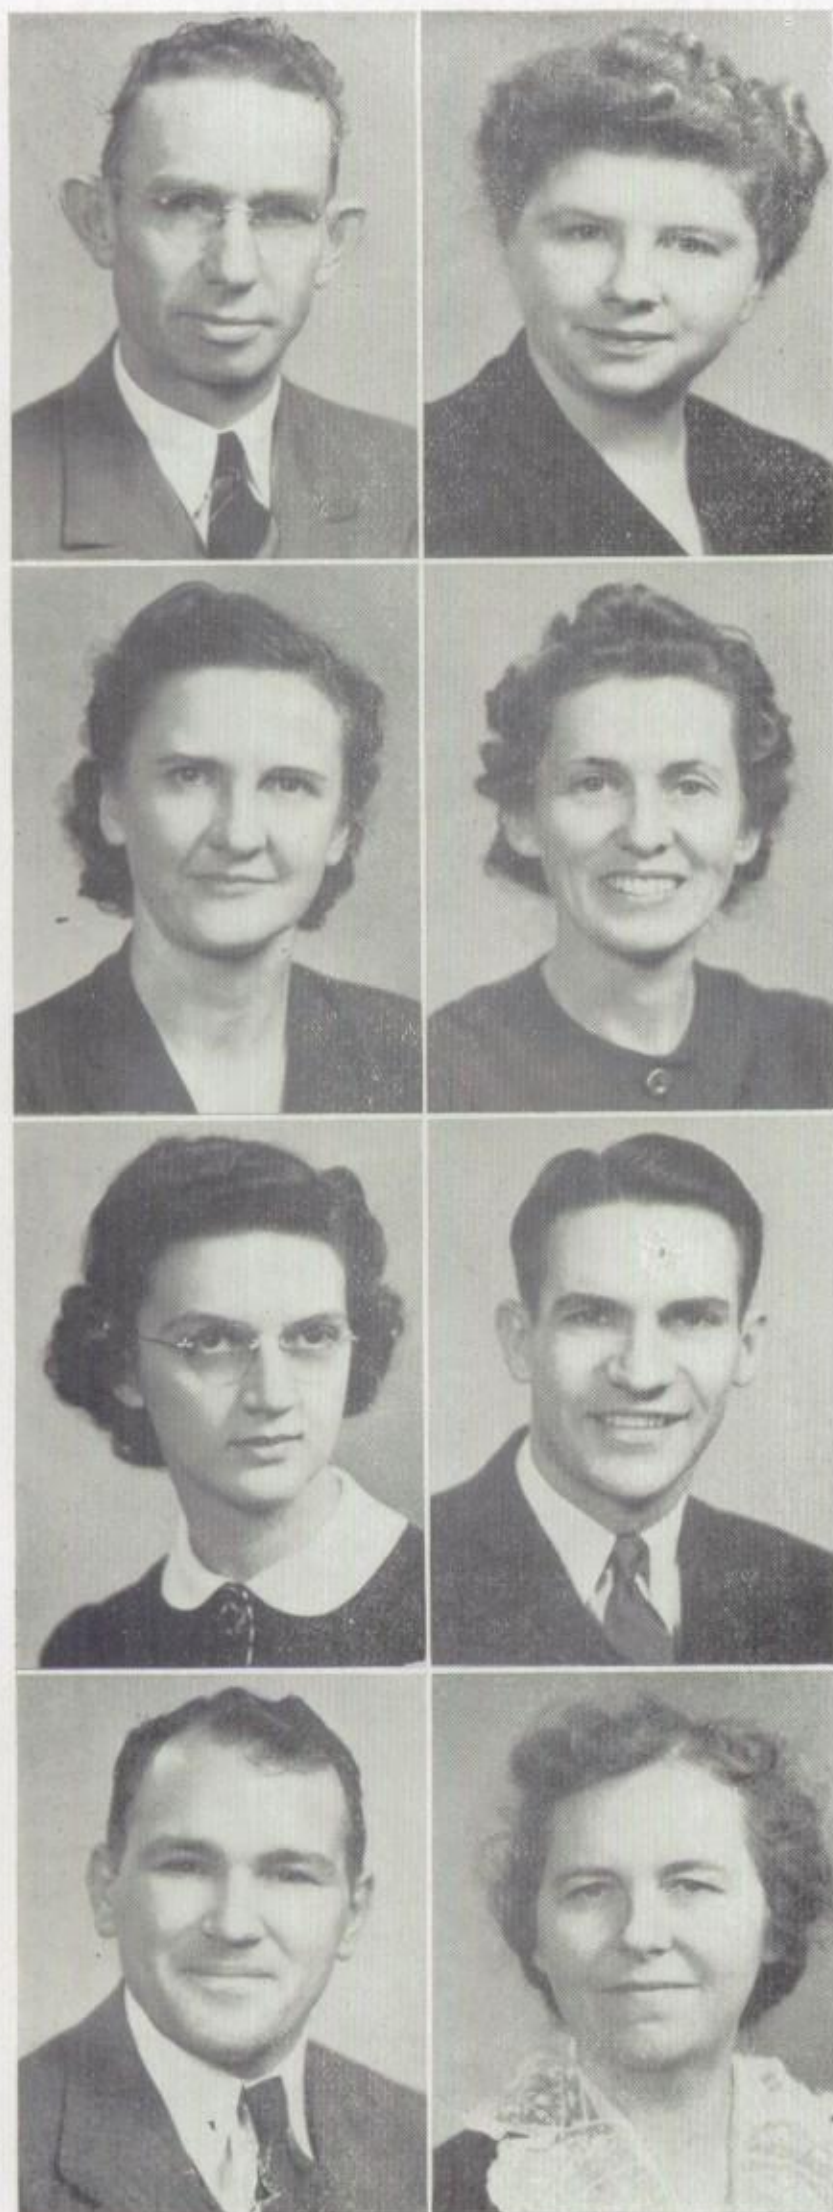

## PATRICIA COLLINS CRIDER

Mrs. Patricia C. Crider has retained the position of secretary at L. C. H. S. since her graduation in 1939. "Pat's" pleasing personality and cheerful disposition have made her one long to be remembered by both the students and the faculty. She recently resigned her position in order to be with her husband now serving in the armed forces. Mrs. Virginia Wells has capably taken over her duties.

## Clyde Scheibler

For a clean and well-kept ship, we owe our thanks to Mr. Scheibler, head steward, and his staff. His first duty of the day is raising the flag which we see as we come aboard ship. Here the gangways and staterooms are found swept, the decks scrubbed, and the furniture dusted. Head Steward "Scheib" has always been ready and willing to help his passengers in any way.

## SENIOR CLASS HISTORY

It was just four years ago that we, as a group of new recruits, came aboard the S. S. L. C. H. S. Betty Jean Putman, Eugene Ortman, and Mildred Riley were elected to lead us through a successful voyage. The crew went ashore twice during the year for parties.

After three months' vacation, we took our places once more on the ship, with Gene Rhodes as Captain and Eugene Ortman and Don McLeaster as helpers to guide us through our Sophomore year.

Boarding our ship for a rough voyage on Junior Sea, we elected Douglas Burkam, Mildred Riley, Richard Kittle, and Filmore Wingate to steer us safely to our final port. The gallant seamen began making money for the special event, the Junior-Senior Prom, by selling school pencils with the athletic schedule on them and the well-remembered pot holders.

We have now reached the Senior port and are ready to embark on our final cruise toward Graduation. Henry Nanz was elected as pilot to guide the ship on its final voyage, with Richard Kittle, Ruth Gilmour and Filmore Wingate as assistants. The first stop was made at the school cafeteria where we had our class party. Then in order to make money for the publication of this annual, we got shore leave for a very successful rummage sale. We consider our class play, "Brother Goose", as one of the outstanding events of this year's cruise.

Recognized as members of the crew who have for four years maintained a "B" average are the following students: Irene Benning, Don Borgman, Ruth Cohen, Doris Klausing, LaVerne Livingston, Devota March, Lucile Rodenberg, Bill Snyder, and Filmore Wingate.

The cruise that looked so endless four years ago is over and the crew must scatter, each going his separate way on "life's unending sea".

"God rest you, happy gentlemen,  
Who laid your good lives down,  
Who took the khaki and the gun  
Instead of cap and gown."

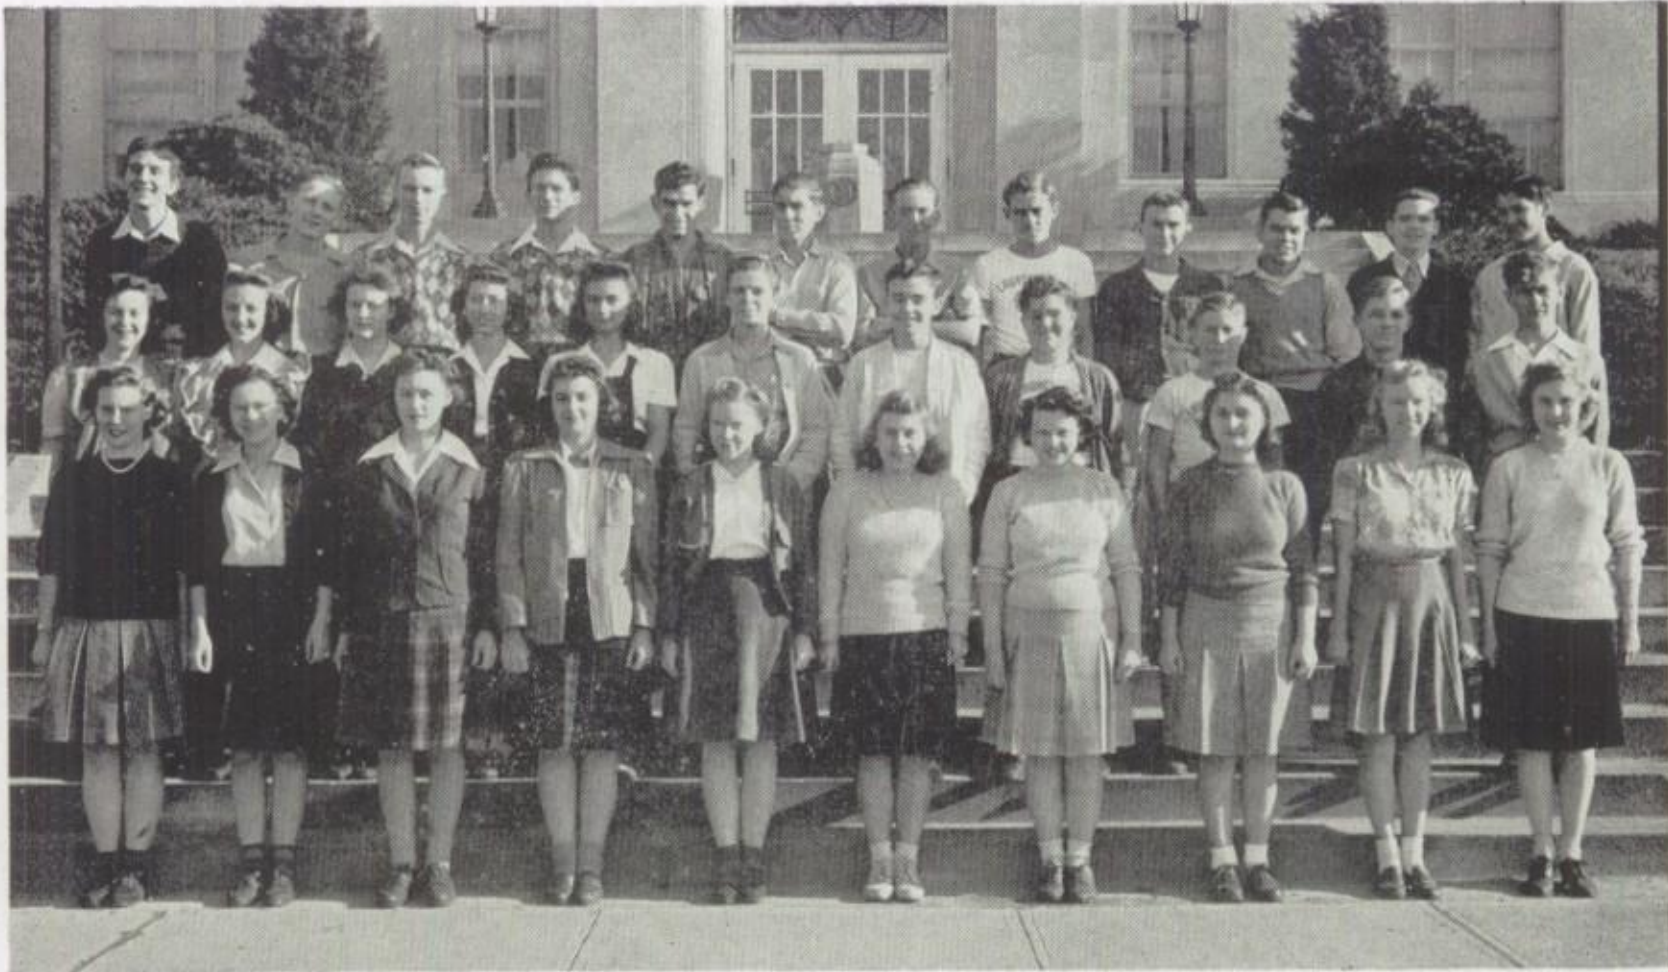

We, the students of L. C. H. S., are dedicating this page, containing the honor roll, to our fellow classmates who have gone into the service of their country.

These boys were average American high school students before the war, but when the call to the colors came, they answered it with the full knowledge of their responsibility in this new venture which had darkened their everyday life.

Boys of every creed and color, native or foreign born, were ready and willing to combat the force that threatened the very freedom their forefathers gave their lives to defend.

This time, the students whom we met in classes, associated with in school activities, boys who triumphed in sports, have dedicated themselves to rid the world of the war menace and strive for a lasting peace.

## JUNIOR CLASS

President .....	Eneas Barrott
Vice President .....	Dick Kaffenberger
Secretary .....	Alice Sartin
Treasurer .....	Linda Jane Berkshire

The Junior Class of 1945 is going all-out this year to combat the financial problem that usually confronts them. Our Juniors braved the dangers that lurk around the money problem in order to give the Senior class a swell Prom. They were always in a huddle with the class sponsors trying to figure out different ways to make money.

Pencils! Pencils! The same cry was heard through the school again this year. Through the halls and at the scheduled football and basketball games, the persistent junior was there trying to sell you a pencil.

Brimming over with new ideas, the juniors decided no letter mailed in Lawrenceburg was completely addressed unless there was a Patriotic Stamp . . one of those Artists-for-Victory-Stickers on it.

During the tourney, they sold pins of every school, candy, cokes, and pencils. Some of the very efficient workers were D. Lamkin, J. Metz, F. Baker, M. Klausling, E. Barrott, R. Ruscher, L. Berkshire, D. Angelback, A. Sartin, C. Liddle, R. Snelling, J. Knue, F. March, J. Standriff, L. Buchanan, W. Ross, and M. Hafenbrittle.

The juniors also noted for their good brainwork produced some fine specimens for the honor group. Among those to vie for such honors with a "B" average for the past three years were Linda Jane Berkshire, Joan Cook, Eureka Fugate, Ethel Gensheimer, Patty Lou Hayes, Mary Lou Kinzer, Marge Klausing, Rosemary McCool, Tom McLeaster, Jean Metz, Bill Ross, Alice Sartin, Ruby Snelling, and Jacquelyn Willen.

As soon as May came around, the juniors began making plans for the Junior-Senior Prom. This year's Prom was one of the best in spite of wartime difficulties.

Those who served as sponsors of the class were: Miss Celeste O'Shaughnessy, Miss Ruth Bertsch, Mr. Herbert Volland, and Mr. Fred Marlette.

## SOPHOMORE CLASS

President ..... James Walser  
 Vice President ..... Melvin Armbruster  
 Secretary ..... Betty Hartwell  
 Treasurer ..... Lucy Theis

The class of 1946 is at the intermediate age, that is just in between losing the "greenish tinge" and taking on the responsibility as upper classmen. Our "sophies" have progressed considerably through the channels of awkwardness.

The sophomores are always trying to find the easiest way out of a situation in order not to exert themselves. This year a party was given around Christmas which did much to decrease the class monotony.

Judy Rodenberg, one energetic sophie, did exert herself to receive recognition in the Navy Day Contest . . . . She won it!

One of the sophomores who entered the Fire Prevention Theme contest and wrote a prize winning theme was Wayne Marks.

**First Row:** Shelton, W. Smith, Rhodes, Miller, Spanagel, McLeaster, Pribble, Rodenberg, Rose, Korn.

**Second Row:** Lemmel, Malone, Marble, Morris, Zenor, Wood, Willen, Zinser, Roemer, Satchwill, Stephens.

By the end of the year the Class of 1947 gradually lost that "greenish tinge" that accompanies the freshman through his first year in L. C. H. S. as he bursts into full bloom.

The "freshies" had a splendid bond and stamp record. They led in the stamp sales on several occasions. Jerome Gilb purchased \$150 in stamps and bonds on March 28, 1944.

The "freshies" participated enthusiastically in G. A. A. and Intramurals. Some of the girls active in G. A. A. were Rosemary Calvert, Wanda Dawson, Delores Ester, Joyce Foley, Rosemary Hayes, Anna Johnson, Carolyn Kern, Doris Kittle, Virginia Miller, Joyce Oney, Delores Schardine, Marcia Scheibler, June Smashey, Marjorie Stryker, Willa Mae Taylor, Audrey Vinson, Betty Warburton and Mary Weismiller.

### GREETINGS TO THE CLASS OF 1944

I bear the standard of the class of 1872 to wish you a future of peace, understanding, and happiness.

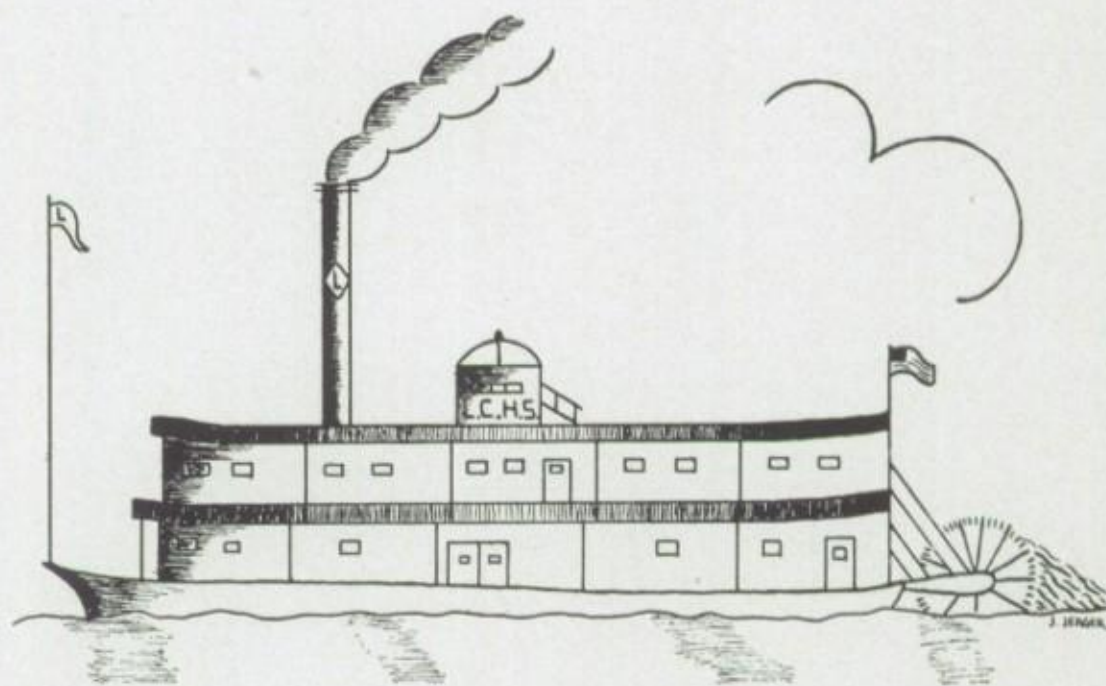

Seventy-two years ago four young ladies and one young man founded this Alumnae Association, as the first graduates of the Lawrenceburg High School. We had the same ambitions and desires that you cherish, and we sauntered forth gay and certain that we would succeed. What success the years have placed upon our endeavors is difficult to ascertain, for who can say just what is a successful life? I can only speak for myself. The years have been very kind to me. I have lived here most of my life, and what time I have spent away, has always been recompensed by the pleasure of returning home. It would be foolish to say that there have been no heartaches or disappointments, but the blessings have so exceeded everything else, that as I reminisce, I recall, only, that life has been good; that I have always had those around me whom I love, and that each morning the sun rises more beautifully than the day before. It would be pleasant if the five members of my class could join you in your Commencement exercises this year, but I fear that I alone am left to welcome you into our group.

Let me extend this wish to you—that at the end of seventy-two years you also may bear a standard to the class of 1946, and may God bless you all the years of your lives.

Sincerely,  
Emma Hauck Denton

Life aboard the S. S. L. C. H. S. would be dull indeed if it were not for the activities which give the student crew a chance to participate in anything that interests them. In the following pages you may see that we have caught each group long enough to get a picture of them in action, in order to enter them permanently in the ship's "Log" and in the mind of each member of the crew.

## EDITORIAL

As the seniors start out on their last voyage aboard the L. C. H. S., it is the custom for them to make a summary of the year's activities, with pictures of the crew and combine them into a book called "The Tiger's Roar." This year, due to conditions beyond our control, it has been very difficult to secure the necessary materials needed for this publication; however, we hope that it may serve the purpose, that is, a permanent record of our high school days on the L. C. H. S. in 1944.

We wish to express our appreciation first to all our sponsors, Miss Ethel Grogg and Miss Vivian Jeffers, whose untiring assistance and able direction made it possible for this annual to come out on time. We express also our thanks to the Indianapolis Engraving Company, the Lawrenceburg Press, the advertisers and each subscriber.

## JOURNALISM CLASS

Editor .....	Phyllis Endress

Advertising Manager .....	Enie Barrott
Sports Editor .....	Don McLeaster

The L. Hi News is edited and published by the Journalism Class of L. C. H. S., assisted by the Press Club, and is under the supervision of Mrs. Ogden, faculty sponsor. Its immediate aim is to bring up-to-date and timely comments to the faculty and students about all the school activities and functions.

This year the L. Hi News has changed its front page makeup and so has taken on a more streamlined appearance. An added feature is the column entitled "The Tiger Salutes", which recognizes outstanding achievements of the students and faculty. In spite of wartime restrictions on the materials needed for cuts and pictures, the staff has managed to include several pictures in each issue.

The Armed Forces column has given information about the graduates and former students now in the service of their country; the Dragnet is stimulating with the latest gossip about school, and the editorials are meant to strengthen the student morale.

A new system of distribution of the paper was introduced this year and has proved very effective. One of the most encouraging factors has been the financial backing by the advertisers of this community and the whole-hearted support of the students of L. C. H. S.

## HISTORY CLUB

President .....	Jerry Gray
Vice-President .....	Jack Kirsch
Secretary .....	Patsy Morris
Treasurer .....	Lucy Theis

The L. C. H. S. History Club was reorganized in September, by Mr. Volland, with the election of new officers for the year 1943-44.

Monthly meetings were held with interesting programs which included: news reports from various members of the club, an enjoyable Christmas party, Mrs. Volland's talk on her European travels in 1934, and Jerry Gray's report on his trip through the West.

Many other interesting programs were given during the remainder of the school year.

Mr. Volland deserves a considerable amount of credit for his excellent work with the History Club in the last two years. His untiring efforts and the giving of his valuable time have resulted in a growth of not only an increased enrollment, but an increased amount of interest in the club.

## THESPIANS

President .....	Mildred Riley
Vice President .....	Darlene McLeaster
Secretary .....	Jean Knue
Treasurer .....	Ruth Callan

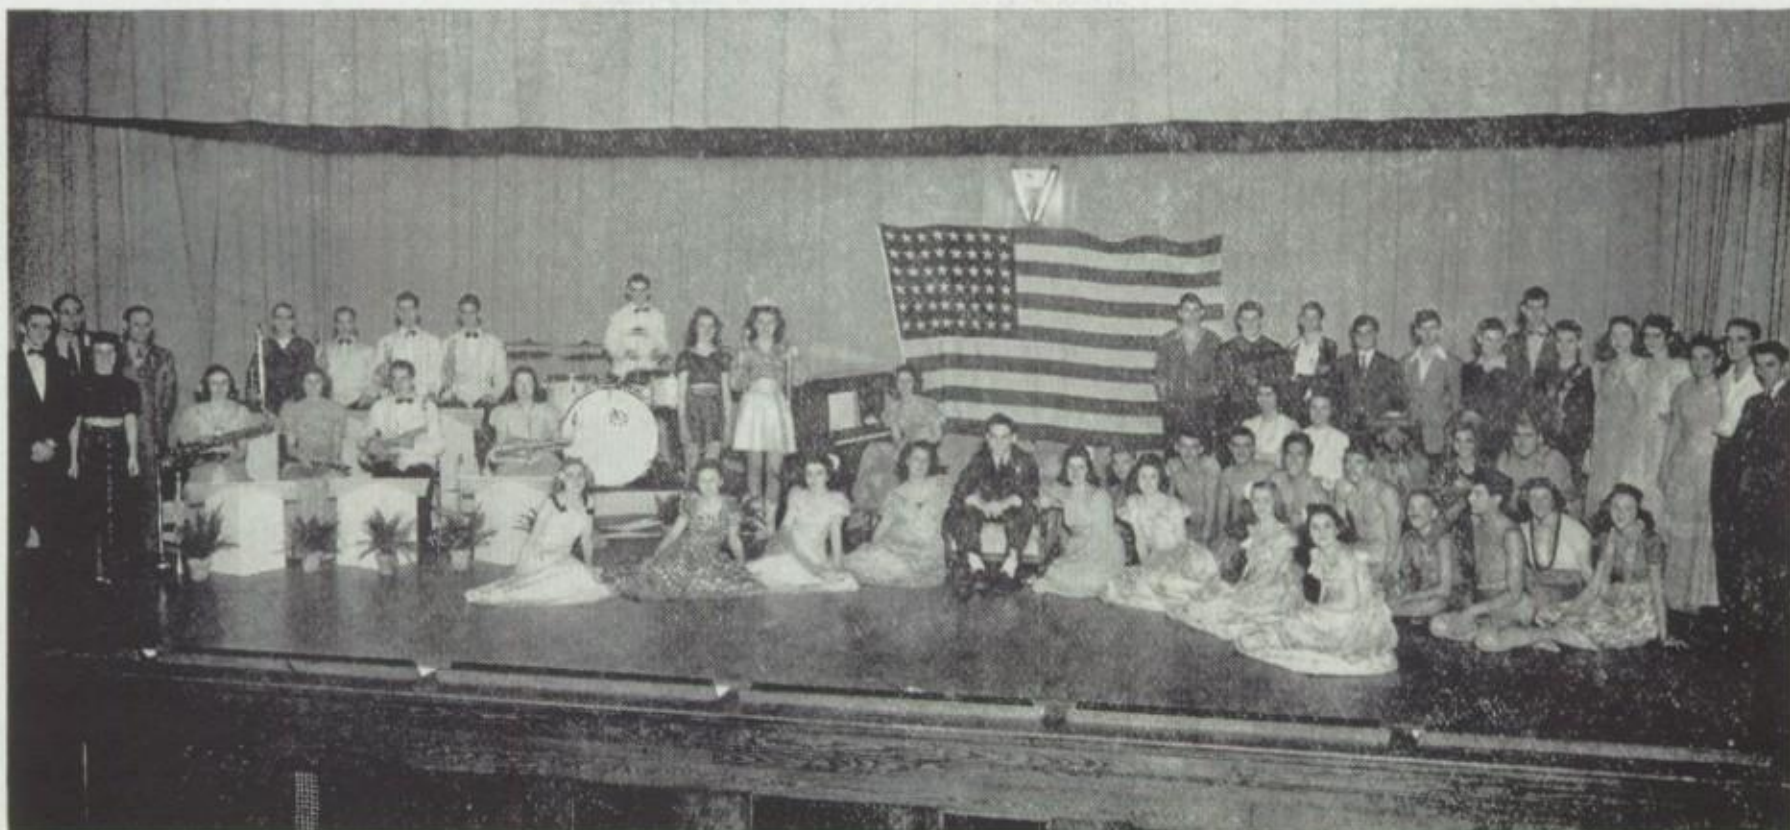

The National Thespian Honor Society was organized in L. C. H. S. three years ago for the purpose of "creating a spirit of active and intelligent interest in dramatics among boys and girls of this community."

To be admitted into this society, students must receive ten points through work in dramatics. The highest points in this were achieved by the two senior members Mildred Riley and Ruth Callan.

New members were admitted last year at the Conservation Club of Greendale. The old members and the new members enjoyed a dinner and then an informal initiation was held for the new members who had earned ten points for admission.

The Thespians assisted by the dramatics class have given 3 one-act plays for the public and 2 one-act plays for an assembly program. They also assisted in the presentation of the Junior class play "Plane Crazy" and the Senior class play "Brother Goose".

## THE VANITIES OF '44

During January the music department gave an all-musical show, "Vanities of 1944", the script of which was written by Tommy-Lou Strack.

The school dance band formed the framework for this unique production. In formal dress and with good music, it contributed largely to the success of the show. The very appropriate costumes of the Hawaiian and Arabian scenes added much to the picturesque aspect of the performance.

That popular "mike" man, Mr. Earl Huffman, acted as master of ceremonies. He put each act over in his most colorful manner as only he can do it.

George Horn, as Frank Sinatra, was one of the highlights of the show; the girls sighed, screamed, and everyone asked for more.

The first performance on January 24 was received so well that a second showing was requested. Half the generous proceeds of the February 7 performance were contributed to the Infantile Paralysis Fund.

## BAND

The L. C. H. S. Tiger Band has made quite a record this past year. It made a trip to Fairview, Indiana to play at the fairgrounds, it marched and played in a concert at the Aurora fair, and played for Greendale school. With a new majorette, Jean Metz, the new drum major, Bill Jackson, and two regular "twin" majorettes, Irene Benning and Tommy-Lou Strack, it has marched its way into the spirit of the school.

The band will miss the senior members: Bill Jackson, Bill Nead, Bill Snyder, and Hank Nanz from the trumpet section; Tommy-Lou Strack, Jean Neal, Gloria McCool, and Irene Benning from the clarinet section; Doris Klausing from the baritone section; and Eileen Stephens from the sax section. Also the Drum Major, Bill Jackson, and the "twin" majorettes, Irene Benning and Tommy-Lou Strack.

The band was placed in first division in the state contest. Members who won first division rating were Danny Angelbeck, Bob Hayes, Eileen Stephens, Marjorie Stryker, Lora Jane Harrison, Linda Berkshire, Carolyn Kern, Leo Bovard, Tommy-Lou Strack, Irene Benning, Jean Metz, and Bud Barrett.

## DANCE BAND

Organized as an extra-curricular activity, the dance band has kept things "hot" and "jivey" on deck the S. S. L. C. H. S. Of the membership, six are seniors who have had experience in many of the activities of the music department during the past four years.

The dance band was the main feature in the hit show "Vanities of 1944". The boys in white coats and black ties, and the girls in colorful formals gave a professional air to the music selected for the show.

They furnished a convocation program for the student body and the music for many of the school dances. Since its organization the band has received a great deal of publicity, and has gone ashore for many public appearances.

## CHOIR

The choir is an organization which offers students an opportunity, not only for cultural accomplishments but for personal pleasure. The students met once each month during activity period and sang their favorite songs. Some of the songs most popular with the group were: "Thanks Be To God", "Choral Festal", "Song of Love", and the "Desert Song".

The choir has been very successful this year and has accomplished many things. The group appeared for many special occasions such as: convocation programs, choral singing at Christmas, band concerts, baccalaureate service, and commencement.

The most effective program presented by the choir was during the Christmas season. As the curtains opened, the choir, holding lighted candles sang "Silent Night". The program was composed of Christmas carols and the last song was "White Christmas" which was made very effective with falling snow.

Darlene McLeaster, Mary Ann Roemer, Verjean Spanagel, and Eunice Lewis also sang at church services.

The outstanding boys of this year were Leo Bovard, Bob Hayes, Bill Jackson, and Bill Houston. These four boys formed a quartet and sang for many occasions.

## TRI-HI-Y

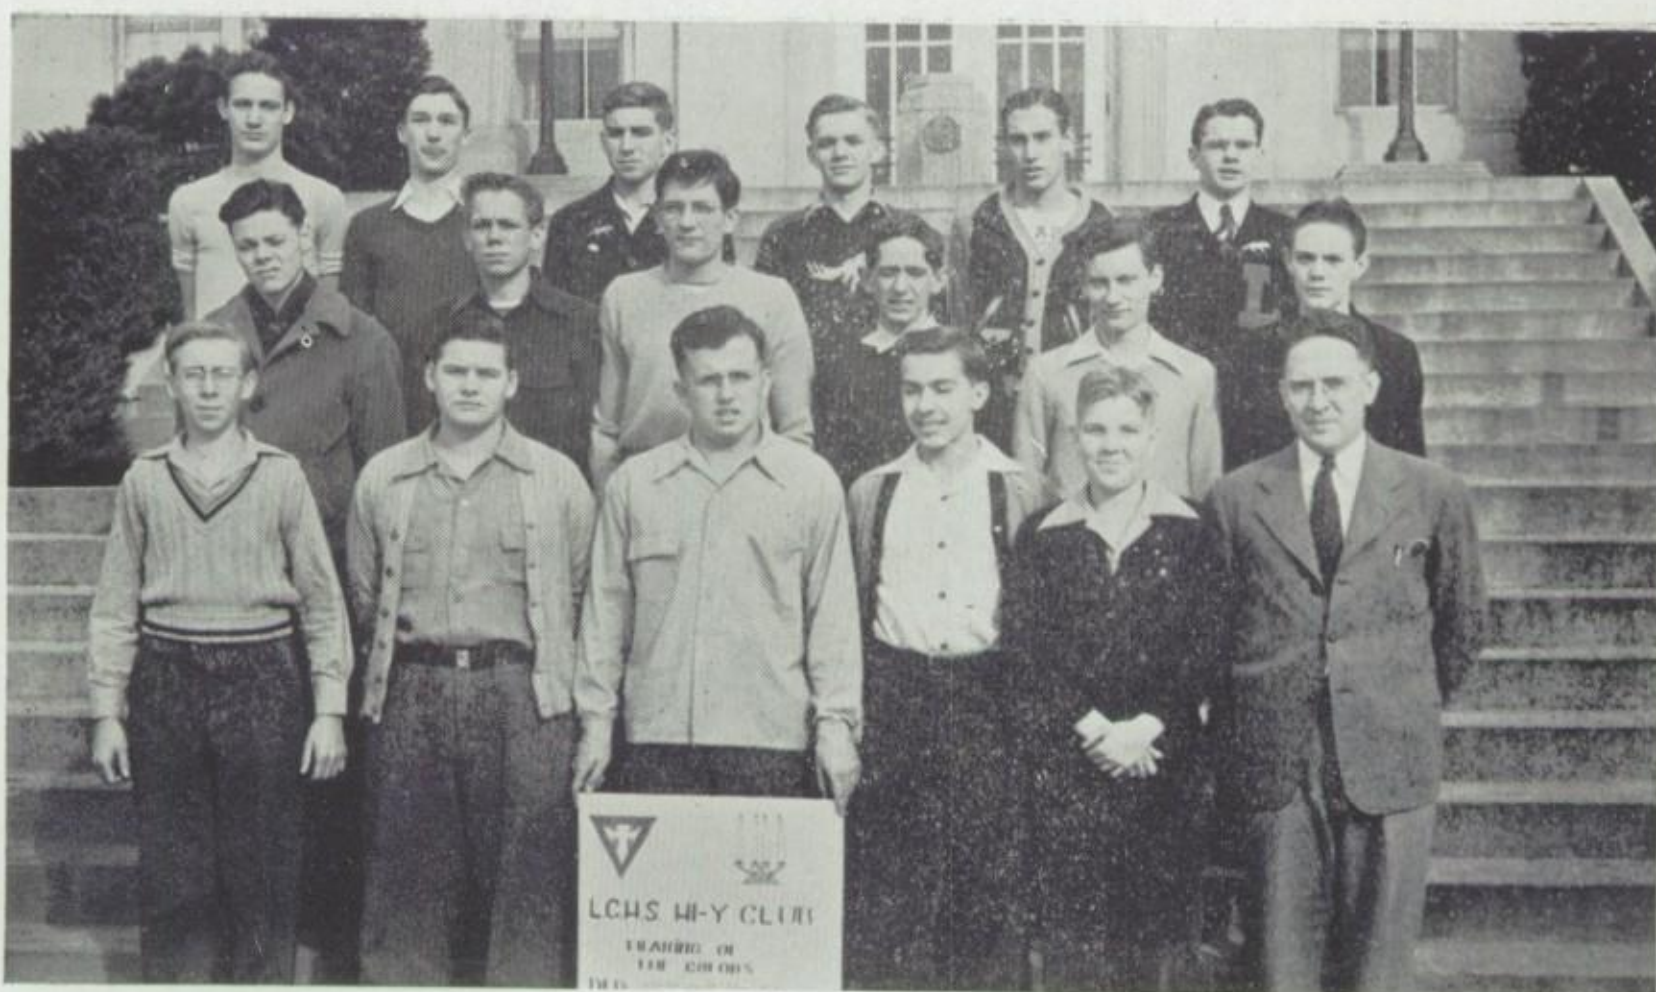

President .....	Mary L. Peterson
Vice-President .....	Ruth Gilmour
Secretary .....	Betty Ruscher
Treasurer .....	Marge Klausing

Under the leadership of Miss Rolison and Miss Price, a membership of thirty-one girls has attempted to carry out the aims of Tri-Hi-Y. The purpose of the club is to create, maintain, and extend through the school, home and community high standards of Christian character. The effective slogan is "Pure thoughts, pure words, pure actions."

The activities of the organization this year consisted of a Christmas party for grade school children, the decorating of the portholes to spread the yuletide spirit, and a Mother and Daughter banquet which carried out the theme of Valentine's Day.

The Tri-Hi-Y has been a very successful organization this year and it is expected to be one of the outstanding all-girl organizations of our high school.

## HI-Y

The Hi-Y Club was organized at L. C. H. S. in February, 1943, with Mr. Herbert K. Volland as sponsor. At the beginning of the new school year the following officers were elected:

President .....	Charles Alexander
Vice-President .....	Joe Lacy
Secretary .....	Jack Kirsch
Treasurer .....	Harlan Brewer

During the year the club, co-sponsored with the Tri-Hi-Y, a "Paper Dance" which was held late in February.

At a special meeting the club had as its guest Mr. Kenneth R. Lancaster, State secretary of the Hi-Y work of the Young Men's Christian Association, of which the Hi-Y is a part.

The club attended the Hi-Y convention in Greensburg on March 16, with full attendance. Jack Kirsch had the honor of being elected secretary-treasurer of the fifth district at the meeting.

Two initiations were held during the year. At the end of the year about twenty-five members were enrolled in the club.

The outlook for the 1944-45 school year is bright as most of the present members of the club will be back and are looking forward to a most successful year.

## THE FRENCH CLUB

President .....	Eneas Barrott
Vice-President .....	Jacquelyn Willen
Secretary .....	Patty Lou Hayes
Treasurer .....	Glenn Denning

In November after many postponements because of pep sessions the French Club, sponsored by Miss O'Shaughnessy held its first meeting, elected officers and decided on the meeting days and dues. As it is the fifth year that L. C. H. S. has offered French to the students, the membership of the club has greatly increased; and with the growth in membership, there seems to have been a growth of interest as evidenced by attendance and the vocal efforts.

The bi-monthly meetings were devoted to the educational development of the members and to social enjoyment; frequently the two were combined, for example: playing Bingo and using French numbers—an excellent way to brush up on the "un, deux, trois, quatre—". It is quite a feat to concentrate on French songs. Number one on the Hit Parade of the French Club was "Alouette". When they came to the "Oh" part of this song, the members really gave forth with their mighty singing voices and it might be added, slightly off key. The ones which were requested most after this were: "Juments Mangent Grains" better know as "Mairzy Doats" and "Il Frotte dans l'Air" (Man on the Flying Trapeze).

The French Club not only helped improve the members in their French, but it also carried on activities to help other organizations.

## LATIN CLUB

Consul .....	Doris Klausing
Consul .....	Charles Alexander
Scribus ..	Dorothy Moody
Quaester .....	John Marble

The Latin Club was continued this year under the leadership of Miss Ruth Bertsch, and a new constitution was drawn up and adopted.

The outstanding event of the year took place the last day before the Christmas vacation. The club, assisted by members of all the Latin classes, sang Christmas carols in Latin. Dressed in black robes and carrying lighted candles, they made a very impressive sight as they proceeded along the decks of the S. S. L. C. H. S. This was an effective ceremony and it is hoped that it may become a tradition.

At the social meetings, fun along with learning Latin was accomplished. American games such as Bingo and Cootie became known as Vici and Equi, while anagrams was played with the use of Latin words. Sometimes plays written in English, but dealing with classical themes were acted out by members of the club.

In May a banquet was held to finish a very successful voyage of the club.

## JUNIOR RED CROSS

President .....	Linda Berkshire
Vice-President .....	Bob Jerger
Secretary .....	Sally Schmarr
Treasurer .....	Carolyn Green

The Junior Red Cross has become one of the most important organizations at L. C. H. S. In times, such as these, the duties and work of the Red Cross are greatly increased. However, the students gladly co-operate with the Council in fulfilling the program of the Junior Red Cross.

The entire crew of the L. C. H. S. was enrolled in the Junior Red Cross. A Council was then chosen to represent the students, and to plan and direct its program.

Hangers were gathered; toys were made for children in war-torn countries, and games and scrap books were sent to soldiers and sailors in hospitals. The Home Economics Department was kept busy making utility bags and other such articles to be used by soldiers and sailors.

These are just a few of the many projects the organization participated in to show that the students were willing to aid those who were not as fortunate as they.

## VICTORY CORPS COUNCIL

President .....	Patty Lou Hayes
Vice-President .....	Betty Ruscher
Secretary .....	Paul Perrine
Treasurer .....	Wanda Zinser

The second and fourth Tuesday of every month found the Victory Corps Council meeting and working on ideas to help encourage the students to buy War Stamps and help the U. S. at war. The Council members were representatives from each of the homerooms. From this group the above officers were elected.

The purposes of the National High School Victory Corps are to make good citizens, to prepare students for later war duties, and to promote such war efforts as the purchase of bonds and stamps, salvage drives, victory gardens, and community drives.

For several weeks the Victory Corps attempted to help the school obtain a 50 percent student purchase of stamps. Then on December 7, 1943, L. C. H. S. had a 100 percent purchase of war stamps and it has held this record ever since that date. This entitled the high school to raise a Minute Man flag which now flies under Old Glory in front of the school.

The next project of the Victory Corps was to get the student body to buy a larger amount of stamps. They posted the amount which was bought by each class for the present week and the previous one.

## THE LETTERMEN'S CLUB

President ..... Preston Foley  
 Vice-President ..... Glenn Denning  
 Secretary ..... Gerald Ulrich

The Lettermen's Club is an organization composed of students who have earned a "Letter" in some athletic event during their high school career. Its purpose is to promote good sportsmanship, increase the interest in athletics, and maintain a contact between the active members and the graduates.

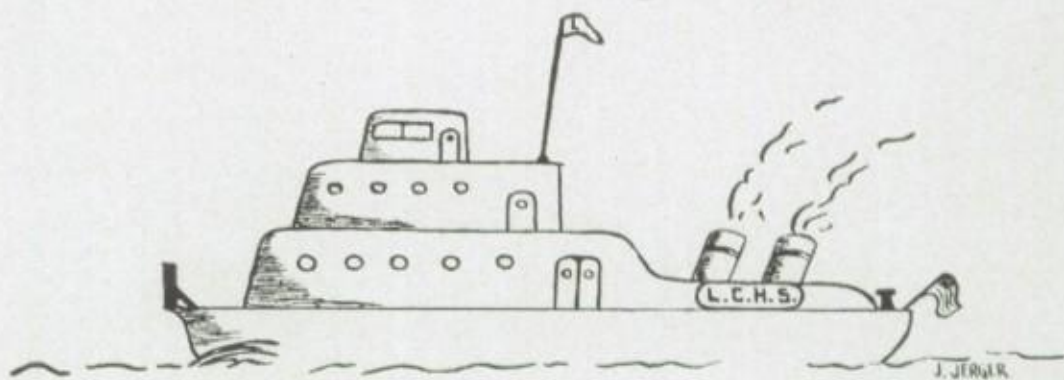

Boys earning letters in basketball must have played in fifty percent of the quarters or be recommended by their respective coaches and be approved by the administrative department of the school.

Those who earned letters in football during the past season were Foley, Lacy, Nanz, McConnell, Knue, Farrar, Snyder, Gray, Barker, Beckett, and Ulrich. Basketball letters were awarded to Barker, Gray, Kittle, Denning, Farrar, Nanz, Hafenbrittle, and Weismiller.

A banquet sponsored by the Lettermen's Club was given for the members of the football and basketball teams on April 13 at the New Reagan Hotel. Mr. O. M. Keller was the guest speaker for the occasion. Lt. Benedict and several graduates who were on short furloughs attended as guests.

# Athletics . . .

"Upon the field of friendly strife,  
Are sown the seeds of victory."

# Athletics . .

"All work and no play makes Mac a poor Sailor." This is the motto on board the S. S. L. C. H. S. Here in the next few pages you may see how we have combined work and play in order to keep our student crew happy.

We recognize our six-man football team which sailed to victory as conference champs, our basketball team which three times battled against and sank the destroyer Aurora, and also the boys and girls who played in intramural sports and G. A. A.

### COACH BATEMAN

Coach George Bateman completed his third and most successful season as coach of the basketball squad this year, winning fifteen of twenty-one starts during the season as well as a New Year's Day Tourney.

Himself a great basketball player, "Bud" has worked hard and faithfully to teach the boys the finer points of the game, and from the looks of the record of this year's quintet he has succeeded.

Stressing fundamentals and teamwork, the Tigers boasted a seven game winning streak at one time during the season and dropped only one contest during the regular season on the local floor.

With a big squad which included several boys over six feet, as well as several smaller boys to work on the fast break, Coach Bateman had a smooth working unit which showed the results of a well-coached team.

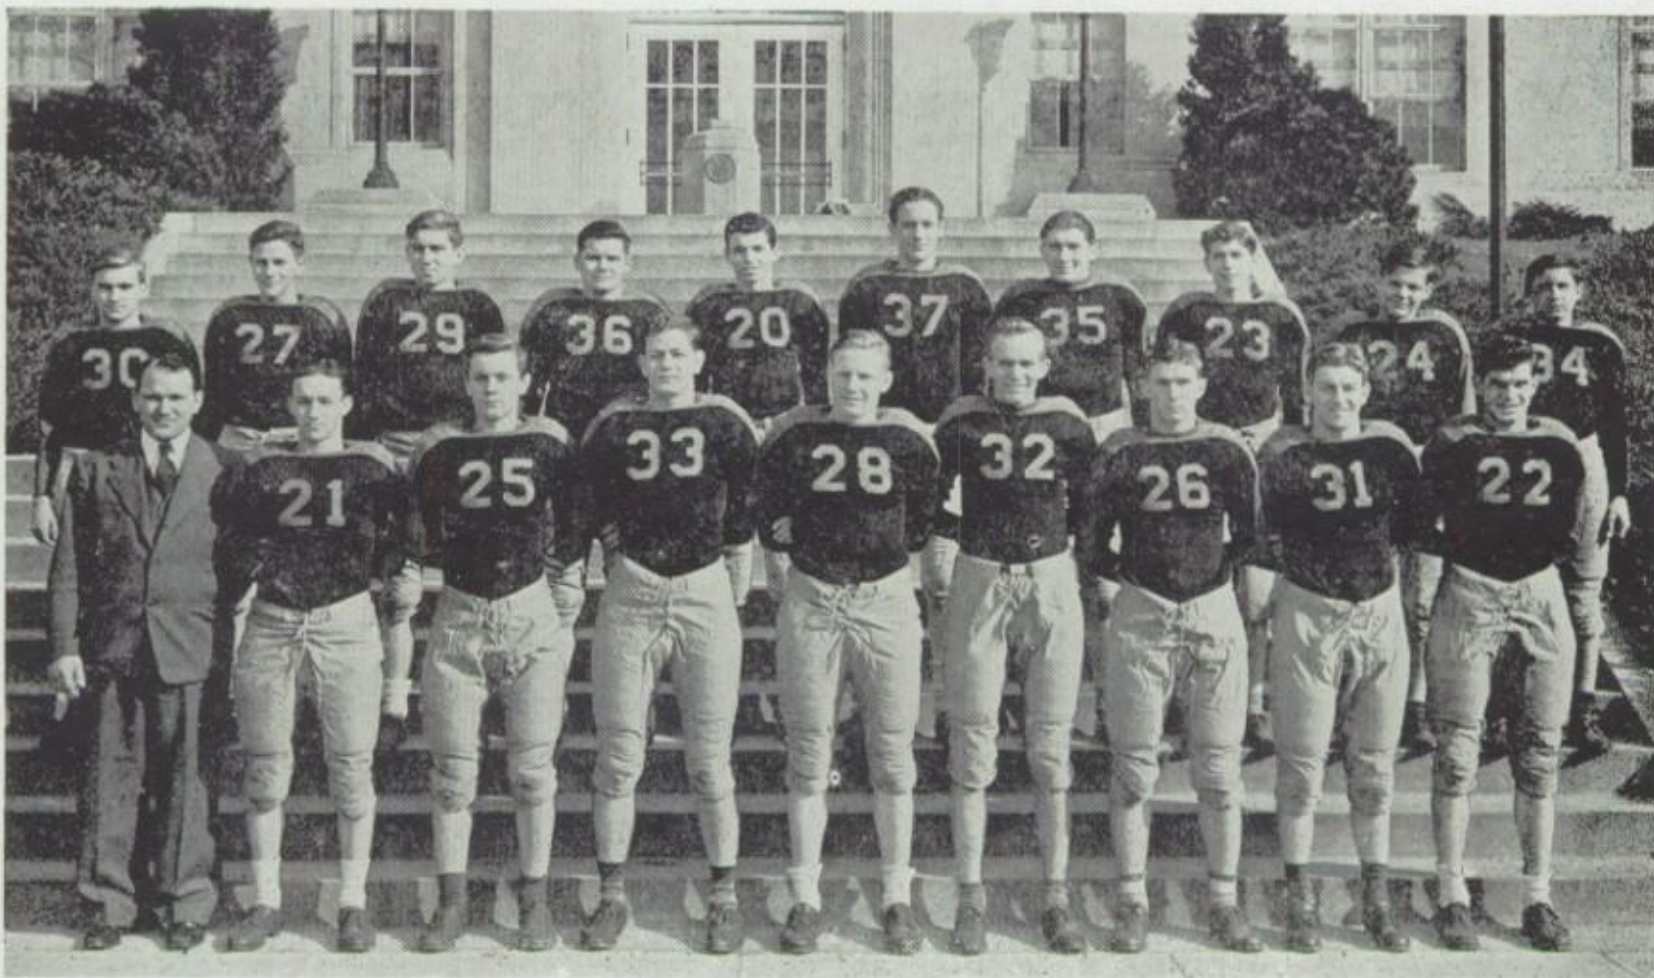

### COACH BATTHAUER

One need only glance at the record to see what Coach David Batthauer, better known as "Dave", has done with the six-man football team during the two short years he has been at the helm. This season the Tigers not only walked off with the Southeastern Conference six-man football championship, but went undefeated and untied in six starts.

Work and more work is "Dave's" formula for a winning football team. During the past two years the Tigers have never bowed to their arch rivals, the Aurora Red Devils, on the gridiron. The Tigers also have the distinction of being the first team ever to win over the Madison Cubs in football.

Yes, "Dave" has been successful with the football team, and as this is written he has another fine squad going through the paces in spring football practice.

**Front Row:** Coach Batthauer, Snyder, Ulrich, Nanz, Gray, McConnell, Foley, Farrar, Knue.  
**Second Row:** Wood, Lemm, Barker, Lacy, Ross, Kirsch, Stadtlander, Schneider, Watts, Beckett.

## FOOTBALL

It took Coach Batthauer just two years to give Lawrenceburg Consolidated High School an undefeated and untied football season. This is a tribute to Dave's ability as a coach and also the great bunch of boys that he had to work with this season.

Several outstanding members of this year's squad either have already left for service with the armed forces or will graduate the last of May. However, despite the loss of key men, you can bet that Dave will field another fine team next season and be out for their second undefeated season as well as the Southeastern Conference six-man football championship.

During Dave's two years at the helm, the Tigers have never yet dropped a decision to their arch rivals, the Aurora Red Devils, trouncing the Red and White squad four times in as many starts.

Using a defensive and offensive lineup, Dave's Tigers rolled over all opposition this season. Their ability to score and score quickly can be seen by the fact that they scored more than fifty points in several games this season and in one, the Madison game here, scored fifty-two points in less than three quarters, the game being stopped after the Tigers had built up a 45-point advantage over their opponents.

Yes, the football team that represented L. C. H. S. this season was one to be proud of.

# A History of a Successful Football Season

Combining a crushing ground offensive with an aerial attack that was equally effective, Dave Batthauer's powerful six-man football team rolled over six opponents with ease this season and annexed the Southeastern Conference six-man football title. The Tigers won four conference games in as many starts, while Aurora and Madison tied for second and third with one victory and three defeats each.

## LAWRENCEBURG 19 MOUNT HEALTHY (O.) 14

The "champs" opened the season on the local field with a 19-14 win over Mount Healthy, O. This proved to be the smallest margin of victory over an opponent for the Orange and Black this season, unless you count the 1-0 forfeit win over Taylor High School of North Bend, O.

Coach Batthauer's lads held a 7-0 margin at the half in the Mount Healthy game, but the Ohioans took an 8-7 lead in the third period and the Tigers were forced to come from behind. Jim Farrar, great Tiger halfback, dived over the goal line on fourth down to put the Tigers in front 13-8. Another Tiger touchdown in the same stanza offset a score by Mount Healthy just before the game ended.

## LAWRENCEBURG 32 MADISON 19

The following week the Tigers traveled to Madison and handed the Cubs their first defeat on the gridiron, 32-19. The hard-fighting aggressive Tigers took a 6-0 lead at the outset when Bill Snyder circled left end for a touchdown. A pass from Lockridge to Bob Wallace tied the score a few minutes later, however, at 6-6. Jerry Gray, Tiger backfield star, skirted right end late in the initial period to put Lawrenceburg in front 12-6 at the end of the first quarter. Another touchdown by Bob Wallace tied the count early in the second period at 12-12, but Dave's boys took the lead for good just before the end of the half, when Jerry Gray scored on a beautiful 65-yard runback of a Madison kick-off. Bill Snyder scored in the third quarter to increase the Orange and Black's lead to 25-12, and then, after passes from Wallace to Moorehead had added seven points to the Cubs' total, the Tigers cinched the contest with a 25 yard touchdown dash on a reverse play by Preston Foley.

## LAWRENCEBURG 32 AURORA 6

The rivalry battle with Aurora was on the bill the following week, and the Tigers merely toyed with the meek Red Devils. The Tigers' offensive failed to click in the first period, which was scoreless, but two touchdown passes from the accurate right arm of "Hank" Nanz gave Lawrenceburg a 12-0 advantage at the half. The first one to Farrar covered 18 yards and the second to Virgil McConnell, all-conference end, was good for 38 yards and a touchdown. Foley scored on a beautiful reverse play to open the third stanza, increasing the Tigers' margin to 19-0. The Red Devils averted a shutout when a pass from Fleming to Russ Thuermer clicked for six points. Two thrilling touchdown runs of 38 and 24 yards by star halfback Jim Farrar completed the scoring.

## LAWRENCEBURG 52 MADISON 7

The Tigers celebrated their return to the home field the following week by blasting the Madison Cubs for the second time, 52-7. It took the Tigers only two and one half quarters to score 52 points, the game being stopped early in the third period, after the Tigers had gained a 45 point advantage. Six-man football rules provide that when one team leads another by 45 points or more, play may be stopped. In this contest Bill Snyder, the Tigers' cagey quarterback, tallied two touchdowns; Nanz, two; Farrar, Beckett and McConnell, one apiece. Gray scored eight points on conversions and Foley, two.

## LAWRENCEBURG 56 AURORA 19

Lawrenceburg took pleasure the following week in routing the Aurora Red Devils here 56-19. Coach Batthauer's newly crowned conference champs scored almost at will in winning their fourth straight league tilt.

Jerry Gray was the offensive star of the contest, scoring a total of twenty-two points on two touchdowns and five conversions by drop kicks. Farrar also got two touchdowns in this contest. A pass play, with Nanz tossing to left end Virgil McConnell just before the end of the first period, was one of the feature plays of the contest. The play covered 51 yards and was good for a touchdown. Big Jim Miller was a star for the losers, scoring two six-pointers and playing a great defensive game. Lawrenceburg led 20-0 at the quarter, 34-13 at the half, and 42-13 at the three quarter mark.

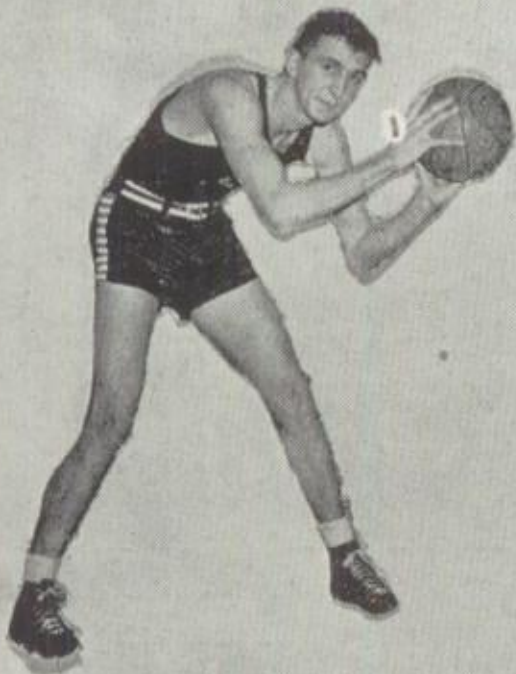

## LAWRENCEBURG 1 TAYLOR (NORTH BEND, O.) 0

The final game scheduled at North Bend, O., with Taylor High School, was forfeited to the Tigers. Despite the fact that both squads were on the field ready to play, the game was postponed when the superintendent of the North Bend School would not allow the game to be played because of the condition of the playing field.

After trailing at the half 19-14, Lawrenceburg rallied in the final two periods to defeat Liberty 37-29. Jerry Gray tallied thirteen points to lead Coach Bateman's five.

LAWRENCEBURG 45 NORTH VERNON 29

Dick Kittle and Jarry Gray paced the Tigers to an easy 45-29 win over North Vernon here January 28. Kittle scored fifteen points and Gray twelve.

LAWRENCEBURG 45 MILAN 27

Jim Farrar scored five field goals in the fourth quarter to give the Tigers a 43-27 victory over Milan here February 1. Farrar played only eight minutes, but took scoring honors with eleven points.

LAWRENCEBURG 32 VEVAY 30

Lawrenceburg scored their fifth straight victory at Vevay February 4, nosing out the Pioneers in a Southeastern Conference game 32-30. "Hank" Nanz scored twelve points to pace the Tigers.

LAWRENCEBURG 56 PURCELL (CINCINNATI, O.) 26

The Tigers completely outclassed Purcell high school of Cincinnati here February 11. Kittle and Gray teamed up to account for 25 of the Tigers' points. Kittle scoring 15 and Gray 10.

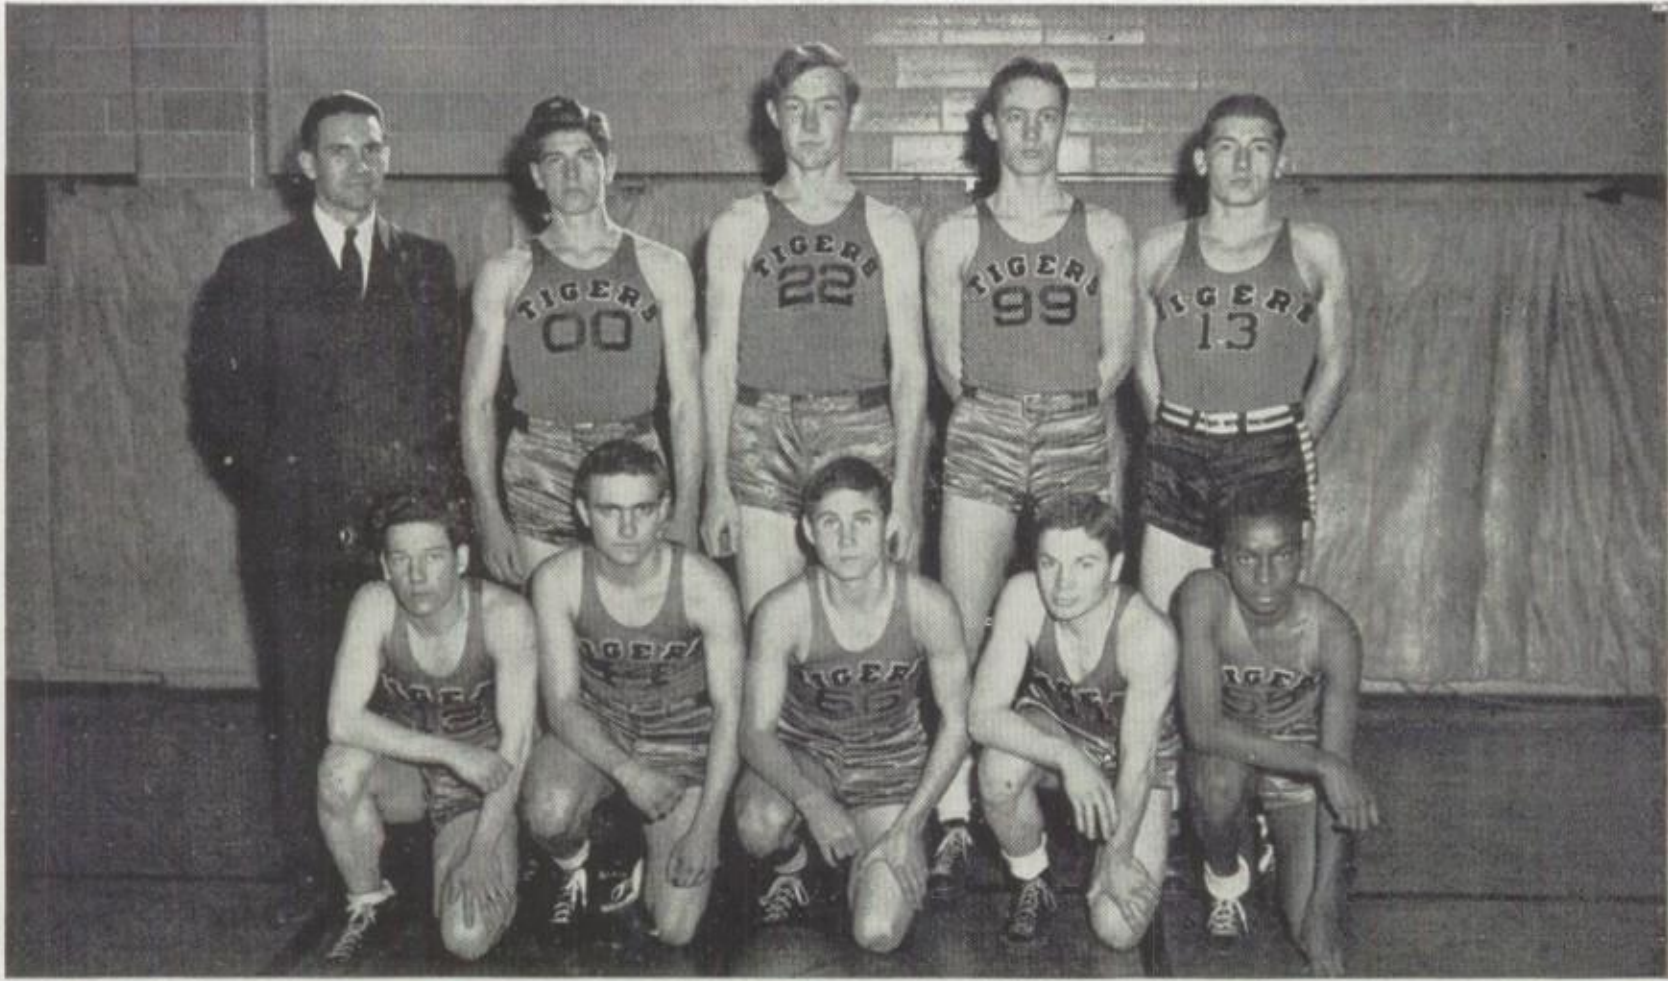

LAWRENCEBURG 52 MADISON 34

Lawrenceburg completed the regular season with a seven game winning streak as they trounced the Madison Cubs in a Southeastern Conference game here February 18. Again it was Dick Kittle and Jerry Gray who paced the Tigers. Kittle scorched the nets with seven field goals and six free throws for twenty points, highest total for any member of the Tigers for a single game this season.

AURORA 36 LAWRENCEBURG 22 (SECTIONAL)

After whipping the Red Devils three times during the season, the Tigers bowed to their rivals in the opening game of the sectional tournament here Thursday, February 24, 36-22. The Tigers had entered the tourney with a seven game winning streak, but just couldn't get going against the Devils and fell far behind after trailing 18-13 at the half. This was the final contest for seniors "Hank" Nanz, Dick Kittle and Jim Farrar.

Front Row: Lacey, Wood, Beckett, Vogel, Freeland.

Standing: Coach Bateman, Schneider, Oberting, Kirsch, Stadtlander

## SECOND TEAM

Lawrenceburg basketball fans who were in the habit of coming to the gym just in time to see the first team play, made it a point to get there earlier after the Tiger Cubs started building up impressive winning streaks this season.

The Cubs did well this season, winning sixteen of eighteen starts, easily the outstanding record of a second team in this section of Indiana. One of their two defeats was a heart-breaking overtime loss to Batesville here in December and the other was to the Rushville second team in their second start of the campaign. Thus the Cubs never lost a game after December 10, ending the season with a twelve game win streak.

Coach Bateman's usual lineup this season consisted of Jack Kirsch and Bob Beckett as forwards, "Red" Oberting as center, and Bill Vogel and Bob Wood as guards. All played a big part in the Cubs' splendid season and all were scoring threats. Should these boys fail in a contest or should they build up such a lead on their opponents that they were no longer needed, Coach Bateman had plenty in the way of reserves to call upon. Dick Schneider proved to be a valuable asset to the team, as did "Deke" Freeland, Don Lacey, Bob Olds, John Calvert, and Dick Stadtlander.

After watching this season's second team, many Tiger basketball fans, and rightfully so, have visions of a great first team in the very, very near future.

**Front Row:** Callan, Batchelor, Roush, Wildridge, Stahl, Fox, W. Bennett, Marble, Williamson, Brookbank, Flock, Bechtol, Walser, Mr. Volland.  
**Second Row:** Kreinhop, J. Endress, J. Bennett, Taylor, Watts, Hayes, Dawson, Rhodes, Kaffenberger, Scotti, Tremain, Lansing, Landman.  
**Third Row:** March, Lacy, T. McLeaster, McCann, Baker, Banschbach, Angelbeck, Lemmel, Armbruster, Schmarr, Frankel, Lamkin.  
**Fourth Row:** Snyder, Ryan, Garner, Gilb, Calvert, Gilmour, Klausing, Korn, Knue, Houston.  
**Fifth Row:** Lemm, Powell, Ross, Coghill, Olds, Alexander, Barrott, Warburton, Ross, Ulrich, Jerger, D. McLeaster, Gehring.

## INTRAMURALS

Intramural sports give to each boy who is not on the Varsity a chance to participate in competitive games. These sports provide recreation as well as creating good sportsmanship, friendship, and promote an interest in athletics.

The boys who participate in intramurals do not receive any awards, but an all star team is selected each year which plays the second team in the preliminary of a varsity game. This year it was a very close game with the second team winning by a score of 22-20.

The senior class this year played under a handicap due to the fact that some of the boys were called into the armed forces. Scoring honors for the intramural all stars in their game with the second team this season went to Bill Snyder with ten points. Jack Kirsch tallied the same number to pace the second team.

Under the leadership of Mr. Volland, who deserves much credit for the giving of his time and effort, intramural was termed a great success this season.

**Front Row:** Scheibler, Warburton, Calvert, E. Smith, Smashey, Vaughn, L. Johnson, W. Smith, Schnetzer, Loniaker, McCool, Miss Price.  
**Second Row:** A Johnson, Hill, Bockhorst, Oney, Schardine, Anderson, Stoe, Lowe, Powell, Luchte.  
**Third Row:** Love, Doehleman, P. Hayes, Farrar, Vinson, Agner, Malone, Marble, Foley, Greive.  
**Fourth Row:** Ester, Kern, Moody, Meyer, A. Smith, Marvin, M. Greene, Laws, Harmon, Tibbetts.  
**Fifth Row:** Bradford, Taylor, Coleman, Heath, Gilmour, Riley, L. Buchanan, Roemer, Stryker, Hunter, Cook.

### G. A. A.

When October 1, 1943 rolled around last fall, activities of the Girls' Athletic Association, supervised by Miss Katherine Price, were well under way. During the first meeting the girls elected Ruth Gilmour — President, Geraldine Farrar — Vice-President, and Tommy-Lou Strack — Secretary.

The season started with a series of speedball sessions. King Basketball came into the limelight in December and an exciting color league and class tournament attracted many participants. Several senior girls had their own color teams during the basketball season. The captains of these teams were:

Tommy-Lou Strack .....	Gold	La Verne Love .....	Orange
Ruth Gilmour .....	Red	Mildred Riley .....	Black
Ruth Cohen .....	White	Martha Tibbetts .....	Blue

In the spring of 1944, volley ball, softball, and track were the major activities, while many other individual sports were sponsored.

At the beginning of the year a new point system was arranged which proved to be more efficient than the old one. According to the revised point system a member may earn points in 23 different sports and activities. Among the old activities are hiking, bicycling, skating, bowling, swimming, table tennis, tennis, badminton,

**Front Row:** J. Willen, F. Lewis, Strack. Weismiller, W. Willen, Morris, Bryant, Lemmel, Agner, Baker.  
**Second Row:** Christian, Liddle, Geisert, Cornelius, Zenor, McLeaster, E. Lewis, Spanagel, Cohen, Livingston.  
**Third Row:** Ash, Hartwell, C. Green, McDaniel, D. Stephens, Zinser, Metz, Karsteter, Dawson, V. Miller.  
**Fourth Row:** Kittle, R. Hayes, Kennedy, Black, Atkins, Schmarr, W. Buchanan, Theis, Lamkin, J. Miller.

archery, horseback riding, speed-ball, softball, track, riflery, decathlon competition, and officiating. This year home nursing and ice skating were added to the list.

Many G. A. A. pins, letters, and sweaters have been awarded to the girls who have earned sufficient points. The girls earning awards must have:

Pin .....	500 points	Sweater .....	1000 points
Letter .....	700 points	Trophy .....	1500 points

The girls who have received a pin, letter, and sweater are Tommy-Lou Strack, Ruth Gilmour, Esther Coleman, Martha Tibbetts, La Verne Love, and Ruth Cohen.

Basketball was the highlight of the season for most of the girls. The girls scoring the most points during the season were:

Tommy-Lou Strack .....	F—53	Betty Karsteter .....	F—20
Ruth Cohen .....	F—26	Jean Metz .....	F—19
Esther Coleman .....	G—12	Patty Lou Hayes .....	G—16
Vivian McGranahan ....	F—10	Betty Warburton .....	F—16
Martha Tibbetts .....	G— 4	Mary Weismiller .....	G—11

Members of The Crew

## AIR RAID AT L. C. H. S.

The siren! Perhaps the Captain of our ship (Superintendent Harrison) has received warning of an approaching air raid. Executive Officer (Principal Barker) and the other officers (teachers) now have the entire crew of the Tiger ship safely in quarters.

No. It was just a practice drill. How thankful we are that it was just for practice. How thankful we are that the Board of Control has protected us by installing the latest type of warning siren.

It may never happen here—at least we hope it won't—but if it should, we know that in each room there is a poster directing us to the nearest refuge zone. These zones have been chosen with care and there, under the direction of our trained air raid wardens, Harrison, Barker, and Scheibler, we are as safe as human hands and minds can make us.

The members of the Civilian Defense Corps of our community are truly soldiers on the home front. We, who are yet too young to serve, salute them in thankfulness for the protection which they are giving us.

The siren awakens in us a renewed recognition of the duty which we owe those who are to follow in our footsteps. Let us live that we too may serve!

# Advertisements and Alumni

The Staff of the 1944 Tiger's Roar wishes to express its appreciation to the advertisers without whose support the publication of this yearbook would have been impossible.

Credit for working out the alumni list in its original form is due to Miss Ruth A. Kirtley, librarian of Lawrenceburg Consolidated High School.
